Structure, Governance and Management

Sunray for Children was established in 2022 to support Slovak and Czech families living in England and Wales who are facing difficult life situations and require guidance navigating the UK social system and family law.

The charity is governed by a board of trustees responsible for the overall direction, governance and financial oversight of the organisation.

At the founding meeting held in September 2022, **Dagmar Szabo, founder of the organisation, was unanimously elected as Chair of the charity.**

The charity was officially registered with the Charity Commission on **2 December 2022.**

Objectives and Activities

The charity's objective is to provide guidance and informational support to families experiencing challenging circumstances, helping them access appropriate services and support.

Activities include:

- providing guidance to families in difficult situations
- assisting families navigating the UK social system
- providing advice through telephone, email and video consultations
- signposting families to relevant organisations and support services

Achievements and Performance

Following registration in December 2022, the charity began establishing its operational structure and governance policies.

Initial activities focused on preparing organisational policies, establishing communication channels and beginning outreach to families requiring guidance and support.

Financial Review

The charity maintained basic financial records and operated using donations and voluntary support during the initial period following registration.

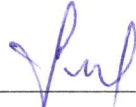

Plans for Future Periods

The trustees plan to expand support services for families, develop partnerships with community organisations and seek funding opportunities to strengthen the charity's activities.
