International Cooperation

Sunray for Children collaborates with the organisation **Lúč pre dieťa**, supporting international cooperation and initiatives focused on children and families.

Representatives of the charity participated in an **international conference in Slovakia** organised by the partner organisation.

Recognition

Dagmar Szabo, founder and Chair of Sunray for Children, received a **Letter of Appreciation from the Ambassador of Slovakia** in recognition of long-term voluntary work supporting families and communities.

Organisational Strengths

Sunray for Children demonstrates:

- strong community engagement

- support for vulnerable families
 - international cooperation
 - commitment to safeguarding and good governance
 - volunteer-led impact with limited financial resources
-

Future Goals

The organisation aims to:

- expand support for families facing difficult situations
 - strengthen partnerships with community organisations
 - increase awareness of available support services
 - secure funding to develop sustainable programmes
-
